## Green Jaws' Saleslist

last updated April 2016

MK Clone Description

Price in €

### Cephalotus

C. follicularis	Typical	18.-
C. follicularis	Old Clone from Dr. Eberhard König, turns dark red	35.-
C. follicularis	Big Boy	50.-
C. follicularis	Clone from Marston Exotics	30.-
C. follicularis	Clone from Martin Stöckl, turns very dark red, nearly black	45.-
C. follicularis	Clone from Oliver Gluch, turns very dark red, nearly black	45.-
C. follicularis	Clone from Queen Mary Botanical Garden London	35.-
C. follicularis	Clone from Thomas Carow	20.-
C. follicularis	Clone from Wilhelma (BG Stuttgart)	45.-
C. follicularis	Dudley Watts	38.-
C. follicularis	Eden Black	90.-
C. follicularis	ex Peter Harbarth clone	45.-
C. follicularis	Giant, from Klaus Keller, originally from Harald Weiner	65.-
C. follicularis	Giant form, from Dr. Eberhard König, probably the same as Giant from Klaus Keller	65.-
C. follicularis	Giant, from Fred Howell, comes from Australia to Germany in the mid 80's	80.-
C. follicularis	German Giant, probably the same as Giant from Klaus Keller, but from InVitro	65.-
C. follicularis	Hummers Giant, Fake	20.-
C. follicularis	Clone B, Coalmine Beach, Walpole, West-Australia, Australia, W	85.-
C. follicularis	Clone C, Coalmine Beach, Walpole, West-Australia, Australia, W	85.-

### Darlingtonia

D. californica	Clone from Karnivorenversand	25.-
D. californica	Clone from Ruedi Fürst	25.-
D. californica	Clone from PJ Plants	25.-
D. californica	Seedgrown, from 13.08.2010	20.-
D. californica	Clone A, Seedgrown, from 13.08.2011	25.-
D. californica	Clone B, Seedgrown, from 13.08.2011	25.-
D. californica	Clone C, Seedgrown, from 13.08.2011	25.-
D. californica	Clone D, Seedgrown, from 13.08.2011	25.-
D. californica	Clone E, Seedgrown, from 13.08.2011	25.-
D. californica	Clone F, Seedgrown, from 13.08.2011	25.-
D. californica	Location form, Clone was sold in the US in a supermarket and was collected in the wild	25.-

## Dionaea

	D. muscipula	RZ 1955		12.-
	D. muscipula	MK 1979		12.-
	D. muscipula	Adentate		28.-
	D. muscipula	Akai Ryu		10.-
	D. muscipula	All Green		6.-
	D. muscipula	All Red Wilhelma		8.-
	D. muscipula	Angelwings		28.-
	D. muscipula	Australian Red Rosette		10.-
	D. muscipula	B52		15.-
	D. muscipula	Big Teeth Red Giant		10.-
	D. muscipula	Bimbo		15.-
	D. muscipula	Bristle Tooth		12.-
	D. muscipula	Burbanks Best		9.-
	D. muscipula	Charly Mandson Spotted		28.-
	D. muscipula	Claytons Volcanic Red		10.-
	D. muscipula	Clone Wilhelma	Old typical clone from Wilhelma (BG Stuttgart)	8.-
	D. muscipula	Clone X11		12.-
	D. muscipula	Coquillage		18.-
	D. muscipula	Crested Petioles		18.-
	D. muscipula	Crocodile		18.-
	D. muscipula	Cross Teeth		10.-
	D. muscipula	Degeneration	Seedling of Cross Teeth x Akai Ryu, looks like Cross Teeth, but can produce	20.-
	D. muscipula	Dentata		8.-
	D. muscipula	Dentata A		24.-
	D. muscipula	Dracula	Fake	8.-
	D. muscipula	Dutch		6.-
	D. muscipula	Ellis Shark Tooth		18.-
	D. muscipula	Fangzahn		24.-
	D. muscipula	Flat Spotted		28.-
	D. muscipula	Fondue		16.-
	D. muscipula	Fused Tooth		10.-
DM17	D. muscipula	G6		8.-
DM19	D. muscipula	G10		8.-
DM20	D. muscipula	G12		8.-
	D. muscipula	G14	Dirk Ventham's Giant	12.-
	D. muscipula	G16		14.-
DM50	D. muscipula	Giant Trap, Erect Form		12.-
	D. muscipula	GJ Basmati		50.-
	D. muscipula	GJ Diri-Piri		38.-
	D. muscipula	GJ Dr. Mabusa		45.-
	D. muscipula	GJ ERROR		50.-
	D. muscipula	GJ Equobia		45.-
	D. muscipula	GJ Giant Form		35.-
	D. muscipula	GJ Giant Shark		35.-
	D. muscipula	GJ Goliath		40.-
	D. muscipula	GJ Green Schuppenstiel	Seedling from 2011	40.-
	D. muscipula	GJ Maratchi		50.-
	D. muscipula	GJ Montecore		50.-
	D. muscipula	GJ Ossweil Giant		14.-
	D. muscipula	GJ Phalanx		18.-
	D. muscipula	GJ Pluto		24.-
	D. muscipula	GJ Pygmy Fused Tooth		38.-
	D. muscipula	GJ Quasimodo		38.-
	D. muscipula	GJ Red Pluto		35.-
	D. muscipula	GJ Rose		20.-
	D. muscipula	GJ Titan	Fused Tooth Seedling from 2011	35.-
	D. muscipula	GJ Titanium		35.-
	D. muscipula	GJ Two Hairs		24.-
	D. muscipula	GJ Umgekrepelt		45.-
	D. muscipula	Gold Strike		14.-
	D. muscipula	Green Sawtooth		10.-

	D. muscipula	Green Vertical Form	12.-
	D. muscipula	Green Wide Trap	12.-
	D. muscipula	Grob Gezacht, Flach	10.-
	D. muscipula	Heterodoxa	6.-
	D. muscipula	Kinky Wave	18.-
	D. muscipula	Korrigans	18.-
	D. muscipula	Kurze Zähne Clone like Dentata from Dr. Eberhard König	8.-
DM25	D. muscipula	Large Green Trap	10.-
	D. muscipula	Large Pink Traps Erect Form	10.-
	D. muscipula	Light Orange Traps	6.-
	D. muscipula	Little Devil	14.-
	D. muscipula	Long Petiole	10.-
	D. muscipula	Mars	20.-
	D. muscipula	Megatrap	12.-
	D. muscipula	Microdent	16.-
	D. muscipula	Minutissimum	12.-
	D. muscipula	Mirror	18.-
	D. muscipula	Moontrap	16.-
	D. muscipula	Olivgrün	10.-
	D. muscipula	Paradisica	10.-
	D. muscipula	Paulo's Red Dentate	15.-
	D. muscipula	Petite Dragon	10.-
	D. muscipula	Prolifera 2	24.-
	D. muscipula	Raptor	24.-
	D. muscipula	Red	8.-
	D. muscipula	Red Burgundy	10.-
	D. muscipula	Red Central Spot 2 sensitive hairs	16.-
	D. muscipula	Red Holland Clone	10.-
	D. muscipula	Red Line	8.-
	D. muscipula	Red Piranha	12.-
	D. muscipula	Red Sawtooth	10.-
	D. muscipula	Red Shark SL 018	18.-
DM56	D. muscipula	Robust Form Nigel Cooper	10.-
	D. muscipula	Rouge Sombre	10.-
DM11	D. muscipula	Royal Red	12.-
	D. muscipula	Ruby Red	10.-
	D. muscipula	Schuppenstiel I	12.-
	D. muscipula	Schuppenstiel II	12.-
	D. muscipula	Shark Tooth	8.-
	D. muscipula	SL 14	14.-
	D. muscipula	South West Giant	12.-
	D. muscipula	Spider	10.-
	D. muscipula	Spotty	24.-
	D. muscipula	Sunrise	12.-
	D. muscipula	Tiger Fangs	12.-
	D. muscipula	Tiger Teeth	10.-
	D. muscipula	Trichterfalle	10.-
	D. muscipula	Triton	28.-
	D. muscipula	Typical, seedgrown	6.-
	D. muscipula	UK I	10.-
	D. muscipula	UK II	10.-
DM 70	D. muscipula	Vertical Curved Traps	14.-
	D. muscipula	Viridis	6.-
	D. muscipula	Wacky Traps	14.-
	D. muscipula	Weinrot	12.-
	D. muscipula	Werewolf	24.-
	D. muscipula	Whale	10.-
	D. muscipula	Yellow-Orange	8.-
	D. muscipula	Z02 Giant	16.-
	D. muscipula	Carolina State Park	12.-
	D. muscipula	Green Swamp	12.-
	D. muscipula	Red Road 20, Oxford, West Florida #3	12.-
	D. muscipula	Wilmington, North Carolina	14.-

## Drosera

D. anglica		8.-
D. binata	T-form	8.-
D. binata	Yellow	14.-
D. binata	Blackheath Blue Mountains, East Australia	10.-
D. binata	Tonimbuchi, Victoria, Australia	12.-
D. binata	Waihohonu Desert Road, 1080m, New Zealand	10.-
D. binata	var. dichotoma	12.-
D. binata	var. dichotoma Giant	16.-
D. binata	var. dichotoma Kiama, Noth of South-Wales, Australia	14.-
D. binata	var. multifida	12.-
D. binata	var. multifida extrema	16.-
D. capensis	alba	6.-
D. capensis	Broad Leaf	12.-
D. capensis	Compact Form	12.-
D. capensis	Crestate	14.-
D. capensis	Giant, Clone from Steve Morley	16.-
D. capensis	Large Form from Dr. Eberhard König	14.-
D. capensis	Red	8.-
D. capensis	Small	10.-
D. capensis	Bain's Kloof Pass, Southafrica	12.-
D. capensis	Bot River	14.-
D. capensis	Ceres	14.-
D. capensis	Matroosberg, Southafrica	12.-
D. capensis	Montague Pass, Westcap, South Africa	12.-
D. capensis	Theewaterskloof Damm	14.-
D. capensis	Vogelgat	14.-
D. filliformis		8.-
D. filliformis	Pine Barrens, New Jersey	8.-
D. intermedia		6.-
D. intermedia	Pfälzerwoog	6.-
D. regia	Clone from Thomas Carow	20.-
D. regia	Clone from Wilhelma	24.-
D. regia	Seedling from Klaus Keller	24.-
D. rotundifolia		6.-
D. x beleziana	Giant	8.-
D. x hybrida		8.-

## Heliamphora

H. heterodoxa		18.-
H. nutans	Giant, the original old clone from Michael Schach	30.-

## Pinguicula

P. grandiflora		6.-
P. grandiflora	La Rhùne, France	8.-
P. grandiflora	Col de Tende, France	8.-
P. grandiflora	Portsalon Beach, Ireland	8.-
P. vulgaris		6.-
P. vulgaris	Sonnleiten	8.-
P. vulgaris	Watzmann	8.-
P. x Hybride		6.-
P. x Sethos	Wilhelma	6.-

## Sarracenia

	S. alata	Deep maroon throat, ex Welhelm	16.-
	S. alata	Purple Throat, Pubescent Form, old clone from Dr. Eberhard König	16.-
	S. alata	var. atropurpurea, old clone from Thomas Alt, collected by himself	20.-
	S. alata	Dark Hood, I 10, Jackson County, Mississippi	14.-
	S. alata	Hilltop Lakes, Texas	14.-
	S. alata	Stone County, Mississippi	14.-
A18	S. alata	var. alata, Yellow flowers, Citronelle Alabama, W	14.-
A24	S. alata	Pipeline, Rayburn, Jasper County, Texas, W, (A11, JA)	14.-
A27	S. alata	Black tube, De Soto National Forest, Mississippi, W, (A2, JA) (AF)	18.-
A28	S. alata	Black tube, stocky pubescent, De Soto National Forest Clone 3, W, (AH)	20.-
A33	S. alata	Hooded form, black upper tube and lid, heavy veins, Jackson County, Mississippi, WS (PW)	14.-
A46	S. alata	Tall pitchers with red lid and red upper tube, Stone County, Mississippi, (WS) (MS)	18.-
A54	S. alata	Light veins, Jackson County, Mississippi, WS	14.-
A61C	S. alata	Big Thicket, Texas (EEE, 2006)	14.-
A63	S. alata	Red lid, heavy veins, Site 1, Perry County, (AF, 2009)	14.-
	S. flava		12.-
	S. flava	Clone from Ruedi Fürst, from seeds	14.-
	S. flava	Culture Clone from the Netherlands, grows also in winter	12.-
	S. flava	'lidless', from Cédric Azaïs	24.-
	S. flava	Red, clone from Thomas Carow	16.-
	S. flava	Red, pubescent form, Seedling from Paul Gardener	20.-
	S. flava	var. flava, old Clone from the 1980's from Ian Salter, one of his first Sarracenia, bought in a Ga	16.-
	S. flava	var. flava, Bronze Blush, L. Williams (FFL05, Paul Gardener)	14.-
	S. flava	var. ornata, Clone 3, Honeysuckle Road, Harleyville, Dorchester County, South Carolina, WS	16.-
	S. flava	var. rubricorpora, ex. J. Ainsworth (ex. Hindle), (FRUB06, Paul Gardener)	16.-
	S. flava	var. rubricorpora, RCP1, old clone from Johannes Betz	20.-
	S. flava	Sussex County, Virginia, WS	16.-
	S. flava	Heavy veined lid, Greenswamp, North Carolina	16.-
	S. flava	var. maxima, Shands Bog, Virginia	16.-
	S. flava	var. ornata, Sandy Creek, Bay County, Florida	16.-
F6	S. flava	var. flava Dinwiddie, Virginia, W, (F10, JA)	16.-
F7	S. flava	var. rugelii Benhill County, Georgia, WS	16.-
F11	S. flava	Cultivar Slacks Maxima, plant described by Adrian Slack in both his books, Cultivar name not e	16.-
F18	S. flava	var. rugelii, Giant robust clone, (PM)	20.-
F20	S. flava	var. rubricorpora, Giant red tube, Apalachicola National Forest, Florida, W, (F37, JA)	18.-
F26	S. flava	var. rubricorpora 'Burgundy'	18.-
F27A	S. flava	var. atropurpurea, All red form, Blackwater River State Forest, Florida, (PW, F3)	20.-
F27C	S. flava	var. atropurpurea, All red form, Blackwater River State Forest, Florida, W, (JA)	20.-
F27D	S. flava	var. atropurpurea, All red form, Blackwater River State Forest, Florida, W, (F62, PM)	20.-
F30	S. flava	var. rubricorpora, Very Dark, Liberty County, Florida	18.-
F31	S. flava	var. ornata, Very heavily veined, Gulf Coast, W, (F17, JA)	16.-
F32	S. flava	var. flava, Very large form, North Carolina, WS (PW)	20.-
F35	S. flava	var. ornata, Heavy veins, Apalachicola National Forest, Gulf Coast, Florida, W, (AH)	16.-
F36	S. flava	var. ornata, Heavy veins, Apalachicola National Forest, Gulf Coast, Florida, W, (MS)	16.-
F45	S. flava	var. rubricorpora, Purple tube, very dark, especially in throat, Milton, Florida, WS	18.-
F46	S. flava	var. ornata, Stocky, large lid, medium veins, Apalachicola National Forest, Florida, W, (PW)	16.-
F47	S. flava	Heavy veined, red lid, plant turns all red later in season. PM	18.-
F61	S. flava	var. rugelii, Apalachicola National Forest, Florida, WS, (AH) 1993	16.-
F65	S. flava	var. rubricorpora, Giant red tube, W, Ian Langford	18.-
F75	S. flava	var. rubricorpora, Apalachicola National Forest, Florida, W, (F36, JA)	18.-
F76	S. flava	var. rubricorpora, Apalachicola National Forest, Florida, W, (F56, JA)	18.-
F88	S. flava	var. ornata, Solid red throat with diffused veins around neck, Apalachicola National Forest, Flor	20.-
F89	S. flava	var. rubricorpora, Red form, North Carolina, W, (AF)	18.-
F91	S. flava	var. maxima, Large green form, light vein, North Carolina, W, (F12, JA)	16.-
F101	S. flava	var. ornata, Sandy creek road, Florida, WS, (MS)	16.-
F102	S. flava	var. rubricorpora, Apalachicola National Forest, Florida, WS, (MS)	18.-
F115	S. flava	var. cuprea, olive/Copper top, North Carolina, WS, (PW, F09)	16.-
F118	S. flava	var. rubricorpora, WS, (Mark Dunsford), Seedling from ICPS seed bank	18.-
F133	S. flava	var. rubricorpora, Wewahitchka, Florida, W, (cl2, SM)	18.-
F137	S. flava	var. atropurpurea, Apalachicola National Forest, Florida, W, dipping lid (cl2, SM)	20.-

F143	<i>S. flava</i>	var. <i>rugelii</i> , Large pitcher and lid, Reading University, Alastair Culham	20.-
F146	<i>S. flava</i>	var. <i>rugelii</i> , Large Pitcher, AP	16.-
F147	<i>S. flava</i>	var. <i>rugelii</i> , Sold as <i>maxima</i> in the USA, Bruce Bednar. (F48, PW)	16.-
F156	<i>S. flava</i>	var. <i>ornata</i> , Prince George County, Virginia, (W), Phil Sheridan	16.-
F160	<i>S. flava</i>	var. <i>rubricorpora</i> , Giant form, W, (F4, MS)	18.-
F167A	<i>S. flava</i>	var. <i>rubricorpora</i> , Sumatra, Apalachicola National Forest, Florida, (WS)	18.-
F173	<i>S. flava</i>	var. <i>cuprea</i> , Pender County, North Carolina, W, (F45, JA)	16.-
F175B	<i>S. flava</i>	var. <i>rugelii</i> , Crestview, Florida, (WS)	16.-
F185	<i>S. flava</i>	var. <i>ornata</i> Prince George County, Virginia, WS, (PW)	16.-
F187	<i>S. flava</i>	var. <i>rubricorpora</i> , Milton, Florida, W, (AH)	18.-
F199	<i>S. flava</i>	var. <i>ornata</i> /var. <i>rugelii</i> , intergrade, Geneva Botanical Gardens, Andrea Amici, 2004, Pitchers ca	20.-
F235	<i>S. flava</i>	var. <i>rubricorpora</i> , North Carolina, SM 2005	18.-
F256	<i>S. flava</i>	var. <i>ornata</i> , Large form, Apalachicola National Forest, Florida, W, (SM 2004)	16.-
F257	<i>S. flava</i>	Goldie, Paul Gardener 2008	59.-
F272	<i>S. flava</i>	var. <i>ornata</i> Walton County, Florida, (ICPS Leiden 2010)	16.-
	<i>S. leucophylla</i>	See13, old selection from Dr. Eberhard König	20.-
	<i>S. leucophylla</i>	Alba form from Christian Klein	20.-
	<i>S. leucophylla</i>	Clone from Ruedi Fürst	18.-
	<i>S. leucophylla</i>	Clone from Thomas Carow, 2011	18.-
	<i>S. leucophylla</i>	Clone A, Dr. Eberhad König	20.-
	<i>S. leucophylla</i>	Clone B, Dr. Eberhad König	20.-
	<i>S. leucophylla</i>	Pubescent form, from Joachim Jung, probably a clone from Dr. Eberhard König	16.-
	<i>S. leucophylla</i>	Very tall grower, EEE 2011	24.-
	<i>S. leucophylla</i>	'White top', form from Christian Klein, maybe the same as 'Alba form' from Christian Klein	22.-
	<i>S. leucophylla</i>	Gas-Station-Site, Perdido, Alabama (PW)	16.-
L1	<i>S. leucophylla</i>	Green & white, Citronelle, Alabama, W, (AH)	18.-
L2	<i>S. leucophylla</i>	Tall green & white form, Citronelle, Alabama, (PW)	18.-
L4	<i>S. leucophylla</i>	'Schnells Ghost', Yellow flowered form, W, (AP)	18.-
L6	<i>S. leucophylla</i>	Very large autumn pitcher, Perdido, Alabama, W, (PW)	18.-
L7	<i>S. leucophylla</i>	Pubescent form, Perdido, Alabama, W, (AH)	16.-
L12A	<i>S. leucophylla</i>	Purple & white, giant Autumn pitcher, Deer Park, Alabama, (W)	20.-
L19	<i>S. leucophylla</i>	Purple and white giant form, Route 71, near Altha, North Florida, W, (AH)	24.-
L20A	<i>S. leucophylla</i>	Baldwin County, Alabama, W, (MS)	18.-
L20B	<i>S. leucophylla</i>	Baldwin County, Alabama, W, (MS)	18.-
L38	<i>S. leucophylla</i>	Pubescent form, Citronelle, Alabama, W, (PW)	16.-
L39A	<i>S. leucophylla</i>	Red & white, Citronelle, Alabama, W, (SM), Introgressed hybrid with <i>S. alata</i> . Pink flowers	18.-
L40	<i>S. leucophylla</i>	Pubescent form, Deer Park, Alabama, W, (SM)	16.-
L47	<i>S. leucophylla</i>	'Cronus' (Titan tm), Botanique	20.-
L55	<i>S. leucophylla</i>	'Tarnok', Perdido region, Baldwin County, Alabama, W, Mutant flower form	20.-
L58A	<i>S. leucophylla</i>	var. <i>alba</i> , Snow white, Hurricane Creek, Alabama, W	24.-
L59B	<i>S. leucophylla</i>	Very stocky Autumn pitcher, Milton, Florida, W	20.-
L65	<i>S. leucophylla</i>	Red & white, large pitchers, Marston Exotics	20.-
L81	<i>S. leucophylla</i>	'Helmut's Delight', Christian Klein 2004	22.-
L90	<i>S. leucophylla</i>	Ben's Bog, Baldwin County, Alabama, (WS)	18.-
L103	<i>S. leucophylla</i>	Upper 'White' zone is covering 1/3rd of the pitcher length, Yellow River, Santa Rosa County, F	20.-
L104G	<i>S. leucophylla</i>	Wilkerson Bog, Bay County, Florida, WS, (BG 2003)	22.-
L133A	<i>S. leucophylla</i>	Clone A, Splinter Hill, Perdido, Alabama #7, WS, from Kamil Pasek	25.-
L133B	<i>S. leucophylla</i>	Clone B, Splinter Hill, Perdido, Alabama #7, WS, from Kamil Pasek	25.-
L133C	<i>S. leucophylla</i>	Clone C, Splinter Hill, Perdido, Alabama #7, WS, from Kamil Pasek	25.-
	<i>S. minor</i>	MOK01?, from Paul Gardener	18.-
	<i>S. minor</i>	near Watchtower, Okefenokee, WS	18.-
	<i>S. minor</i>	Clone D, near Watchtower, Okefenokee, WS	20.-
	<i>S. minor</i>	Fitzgerald County, WS	14.-
	<i>S. minor</i>	North of Charleston, South Carolina, WS	14.-
	<i>S. minor</i>	Pine Mountains, Georgia	14.-
	<i>S. minor</i>	Waycross, Georgia	14.-
M2	<i>S. minor</i>	North Florida, WS, (PW)	14.-
M12	<i>S. minor</i>	Near Wacamaw River, Brunswick County, North Carolina, WS, (PW)	16.-
M16	<i>S. minor</i>	var. <i>okefenokeensis</i> , Okefenokee Giant, North East	18.-

M28	<i>S. minor</i>	Brantley County, Georgia, (BB), 2007	16.-
	<i>S. oreophila</i>	Sand Mountains, Georgia	14.-
O3A	<i>S. oreophila</i>	Boaz, Alabama, W, (Clone 1, PM)	14.-
O3B	<i>S. oreophila</i>	Boaz, Alabama, W, (Clone 2, PM)	14.-
O5	<i>S. oreophila</i>	De Kalb County, Alabama, W, (O10, JA)	14.-
O7	<i>S. oreophila</i>	Sand Mountain, W, (O13, JA)	14.-
	<i>S. psittacina</i>	Giant, Clone from BG University Hohenheim	20.-
	<i>S. psittacina</i>	Splinter Hill, #17, WS	16.-
PS01	<i>S. psittacina</i>	Gulf Coast Giant, Apalachicola National Forest, W	16.-
PS03	<i>S. psittacina</i>	Orange flower, Wewahitchka, Florida, W, (PW)	12.-
PS08	<i>S. psittacina</i>	"Dark flower", Yellow River, Florida. W, (S28, JA)	12.-
PS09	<i>S. psittacina</i>	Okefenokee Swamp, Giant form, Georgia, W, (S22, JA)	16.-
PS21	<i>S. psittacina</i>	Bay County, Florida, W	12.-
PS22	<i>S. psittacina</i>	Bulbous, Harrison County, Mississippi, WS	14.-
	<i>S. purpurea</i>	ssp. <i>purpurea</i>	12.-
	<i>S. purpurea</i>	ssp. <i>purpurea</i> , Sachsen, East-Germany	14.-
	<i>S. purpurea</i>	ssp. <i>purpurea</i> , clone from Ruedi Fürst, S	14.-
	<i>S. purpurea</i>	ssp. <i>purpurea</i> f. <i>heterophylla</i>	16.-
	<i>S. purpurea</i>	ssp. <i>purpurea</i> , Dorcas Bay, Northern Bruce Peninsula, Bruce County, Ontario, Canada	16.-
